

City of Rocky Mount, NC
Site Plan Public Water/Sewer Conditional Acceptance Checklist

This checklist should be filled out completely and submitted with all required information upon completion of public water/sewer improvements associated with site plan construction. Once this package is submitted and approved, applicable City departments will inspect the installation and conditionally accept the improvements.

This form must be filled out by the Registered Professional making submission for the walkthrough.

Project: _____ Date: _____

Project Owner: _____ PIN: _____
